BEARING FRUIT

The purpose of bearing fruit is for people of all generations to live out the Gospel by serving in God's kingdom: locally, nationally, internationally.

Start Here:

Why Do This?

- We are called by God to serve
- Serving provides opportunities to grow in our faith
- We become more deeply engaged in relationships between each other, within Prince of Peace, and with God

Measures of Effectiveness:

- Sharing and collecting of God stories
- Getting new people to engage
- Number of people that go through "mission equipping"
- Number of people involved
- Number of people choosing to use their gifts to engage in leadership roles
