## GROWING

The purpose of growing is for faith to take root and grow to maturity.

### Start Here:

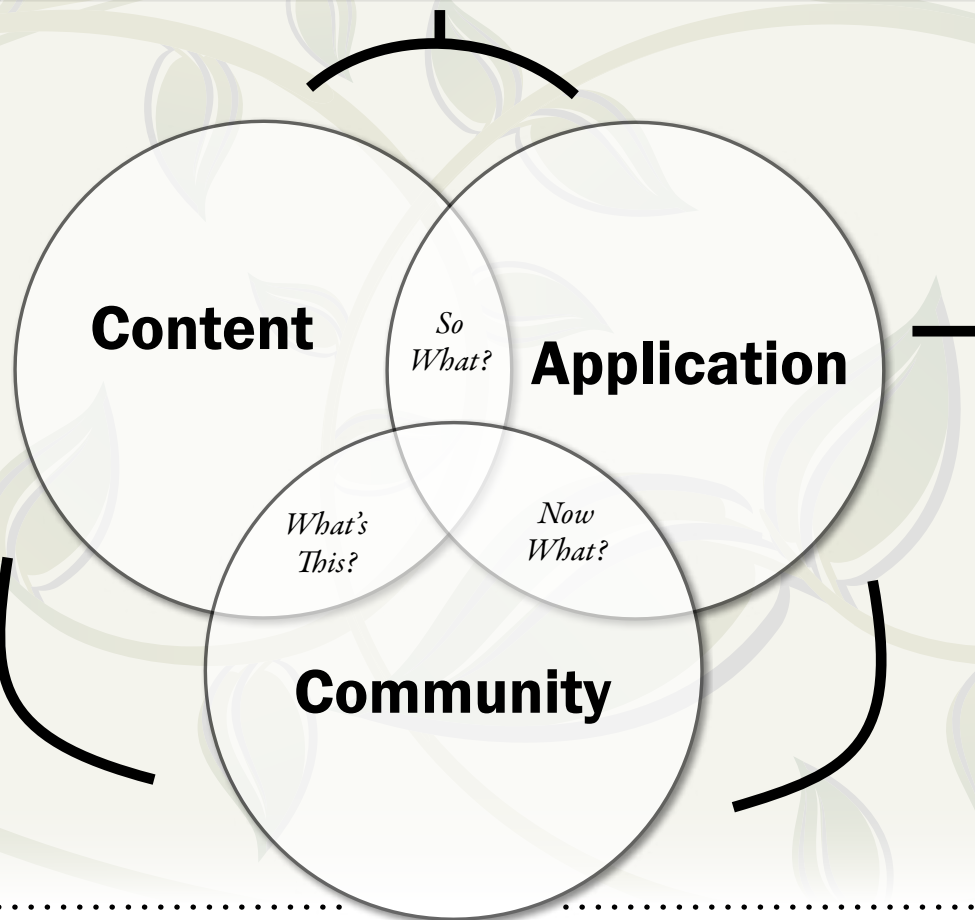

Prince of Peace is a rich and dynamic faith-filled community where spiritual discovery and discipleship-driven learning leads to personal and congregational growth. Those desiring to grow deeper in their relationship with Jesus and one another gather regularly and in various settings (especially small groups) for the purpose of learning from one another, serving with one another and relating to one another for spiritual growth.

### Why Do This?

- We need deep roots to provide a firm foundation for living, knowing who and whose we are (Matthew 7:24-27; Acts 2:42-47)
- We are called to grow up in every way into him who is the head, into Christ (Ephesians 4:15)
- The transformation of our minds leads to the fruitfulness of our lives for the sake of the Kingdom (John 15:4)

### Measures of Effectiveness:

- Increasing number of disciples report becoming more Christ-like in their daily lives, exhibiting the Fruit of the Spirit (Galatians 5)
- Increasing number of disciples engaged in a daily devotional discipline
- Increasing number of disciples engaged in the Season of Growing opportunities
- Increasing number of disciples report applying what they learn in daily life
- Increasing number of disciples bearing fruit (serving and giving)
